## WE OFFER THE FOLLOWING PROGRAMS FOR KIDS – donations and grants make this possible:

1) **This is the 17th year of the Don Ball School of Fishing.** We employ licensed local fishing guides to teach 6th graders about local fishing and the local environment. Over 1600 children have graduated our program. All students in the program receive quality **rods and reels, lures and other tackle.** This year there will also be online classes.

2) The **Dollar Bill Challenge** This is our new catch/photo/release tournament held in June, July, August and September for Junior Anglers age 7 to 16. It is both an educational tournament and a fund raiser for our programs. Winners each month receive rods and reels and are featured in our magazine. The Grand Champion will be awarded a Tracker model 1032 Boat. There are four short *fish-quizzes* anglers must complete as part of the tournament.

3) Outings: We offer **two offshore fishing trips** from Englewood and **two seine-net-pulls**, one at Ponce Park in Punta Gorda and the other at Rookery Bay, in Lee County for our students. This will be the 8th year of these programs.
