## WE OFFER THE FOLLOWING PROGRAMS FOR KIDS – donations and grants make this possible:

1) **Be The Fish!** We employ licensed local fishing guides to teach 6th graders about local fishing and the local environment. More than 1600 children have graduated our program during the 18 years we have offered it. All students in the program receive quality **rods and reels, lures and other tackle**. The class is offered live and online.

2) The **Dollar Bill Challenge** Our catch/teach/photo/release tournament held in June, July, August and September for Junior Anglers age 6 to 16. It is both an educational tournament and a fund raiser for our programs. Winners each month receive rods and reels and are featured in our magazine. The Grand Champion will be awarded a Tracker model 1032 Boat. There is a monthly FishQuiz anglers must complete as part of the tournament.

3) Outings: We now offer **three outings: an offshore fishing trip** from Englewood a **seine-net-pulls** at Ponce Park in Punta Gorda and a **half day inshore fishing trip** in Charlotte Harbor.
